Wedding Week **Mon, 12/30/24 – Fri, 1/3/25**

Wedding Week, which runs the week prior to the Wonderful World of Weddings at State Fair Park, is an annual tradition on The Morning Blend! It is a special theme week where it's All About Weddings!

Wedding Week offers an opportunity for your wedding-related business to showcase your goods and services during this fun and engaging week.

This is the perfect opportunity for you to show off your business at the start of wedding season, just prior to your appearance at the Wonderful World of Weddings.

- Showcase your products or services in an engaging 5-6 minute segment during our daily lifestyle program. The staff of The Morning Blend will work with you to make sure your segment looks and sounds great!
- The conversation follows your talking points, so you cover what's important to your business.
- On-screen graphics during your segment highlight your logo, special offers and any other information you'd like to reinforce.
- We can incorporate photos or videos into your segment.
- We will provide you with a video file of your segment, so you can use it on your own social media, website and/or emails.
- Includes a boosted post of your segment on TMJ4's Facebook page (600k+ followers); targeted to your audience.

Net Investment: \$1,500

Includes segment on The Morning Blend, Facebook post and category exclusivity on the day of your appearance. (Value: \$2,300)
